DETAILED ACTION

Allowable Subject Matter

1. Claims 1 and 19-20 are allowed.
2. The following is an examiner's statement of reasons for allowance:
3. For claim 1, applicant's invention combination including: " a cable end connector assembly comprising: a bridge portion projecting outside the shell and the shell comprises a base portion and the bridge portion is integrally stamped from the base portion and the shell comprises a first and a second shell halves and wherein the bridge portion is formed on the first shell half" is not taught by Lee or suggested other prior art of record. For claim 19, applicant's invention combination including: " mounting member attachably positioned on the housing around the wires and an upward face, a bridge portion upwardly raised above the upward face with a tiny gap and a pull tab extending through the gap and fixed to the bridge portion and extending away from the upward face, wherein a horizontal dimension of the bridge portion are relatively smaller than those the upward face so as to allow a relatively small joint provided between the pull tab and the mounting member comprises a base portion and the bridge portion is integrally stamped from the base portion and the bridged portion comprises a pair of incline sections projecting from the base portion and a retaining bar connecting bar two incline sections wherein a space is defined below the retaining bar and above a plane where the base portion lies for allowing the pull tab to extend therethrough wherein the pull tab comprises a receiving portion receiving the retaining bar and a pull portion

extending from the receiving for being pulled " is not taught by Lee or suggested other prior art of record.

4. Lee among other difference does not disclose all limitations as discussed above, therefore does not meet claims 1 and 19 limitations, which are basic to the invention, not would inclusion of feature be an obvious change.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
